TO WHOM IT MAY CONCERN

THIS IS TO CERTIFY that **M/S TRAILBLAZERS ADVENTURE TRAVEL PVT. LTD.**, conducted a tour to SAAT TAL from October 20th – 27th, 2005. This camp was attended by sixty eight students and six teachers of our school, including myself.

The camp was a wonderful experience, unique in many ways. It provided a natural ambience to our city bred children who rarely get to interact with nature and appreciate it. It taught our students skills such as trekking, rock climbing, rappelling, river rafting etc. which will go a long way in honing their personality. Soft skills such as respecting animals, listening to the sounds of nature and bonding with each other were the bye-products of this camp.

The Instructors at the camp were thorough professionals and the camp co-ordinator Ms. Rashmi Hundekar deserves our appreciation for her care, support and co-ordination shown and thus made this camp a memorable one. Needless to say I have personally attended this camp twice and I do not mind going a few more times, such is the experience. I thank M/s Trailblazers for giving us a wonderful opportunity and recommend it very strongly to like minded groups or individuals.
